SOVITA CREDIT UNION SKIP-A-LOAN-PAYMENT AGREEMENT

I would like to skip my monthly loan payment(s) due during the month of **November or December (circle only one)**, 2022. I am requesting that this agreement be effective for all loans on the account number, except VISA credit card accounts and mortgage loans, which I understand are ineligible for the Skip-A-Loan Payment Program.

If this request is approved by the Credit Union, I understand and agree that interest will continue to accrue on the loan(s) and the maturity date(s) of the loan(s) will be extended by one (1) month beyond each loan's original maturity date(s).

I understand that if I am permitted to skip the November 2022 payment, my obligation to make loan payments shall resume in December 2022; if I am permitted to skip the December 2022 payment, I understand that my obligation to make loan payments shall resume in January 2023 .

I agree that except as specifically set forth in this Agreement, all provisions of the original loan agreement(s) shall remain in full force and effect.

If I have entered into any Members Choice Guaranteed Asset Protection Contracts with the Credit Union, I understand that skipping payments may affect the benefits available to me under those contracts.

I understand that this Agreement is subject to approval by the credit union and if applicable, any co-maker, co-signer, or guarantor on my loan(s). I further understand and agree that I will be ineligible to skip any payment unless none of my loans with the credit union are in a delinquent status (including my VISA accounts and mortgage loans), and I have not received an extension or payment arrangement agreement for any of my loans with the credit union in the previous twelve (12) months. I understand that any loan extension(s) granted to me by the credit union in connection with the COVID-19 pandemic and resulting federal emergency will not be considered as an extension or payment arrangement agreement for purposes of determining my eligibility for the Skip-A-Loan Payment Program.

I am requesting that this agreement be effective for all loans on account number _____, except VISA credit card accounts and mortgage loans.
